S E la pompa gemmata, e se le piume De la dipinta coda il Pauon spiega, Altrui per meraviglia i sensi lega, E superbo à chi'l mira abbaglia il lume.

Ogni sesso, ogni età lodanso à proua, Ma grato cibo da pietosa mano Famelico bramoso attende in vano, Ch'à la sua same la beltà non gioua.

Tu che fabrichi ogni hor verli sublimi, Se forsi meritar doni presumi, T'inganni, poiche son questi costumi Lungi da quei, che son fra gli altri i primi,

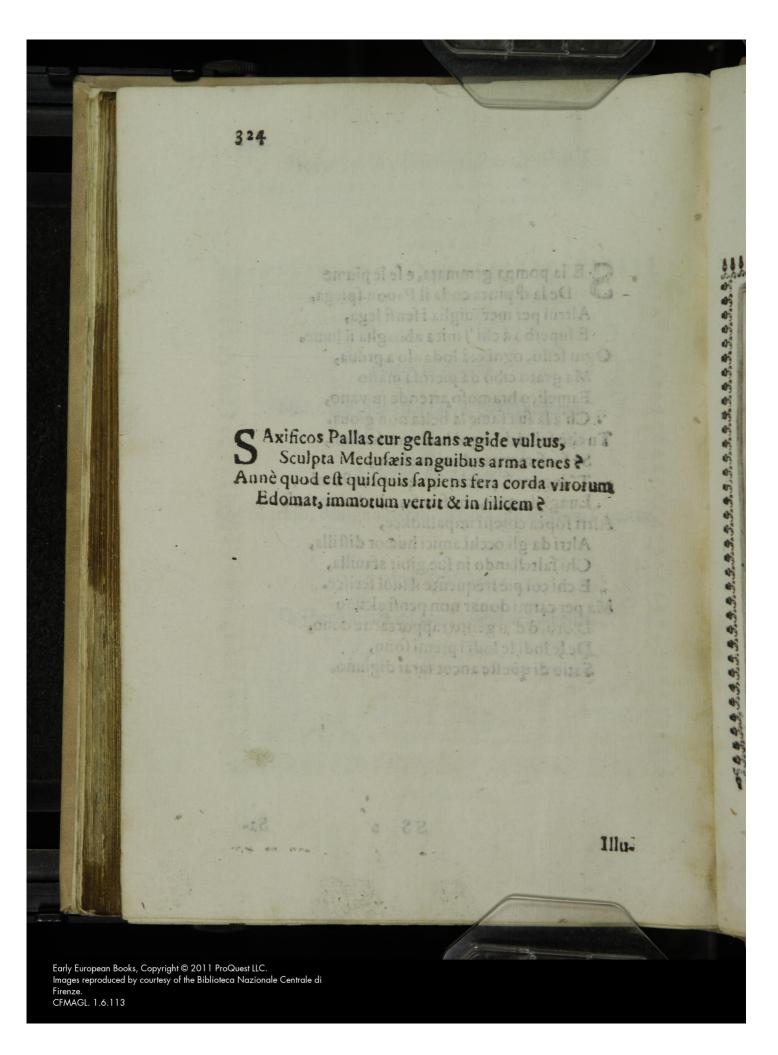

Altri sopra cotesti impallidisce, Altri da gli occhi amici humor distilla, Chi saltellando in suo gioir sfauilla, E chi col piè trequente il suol ferisce.

Ma per carmi donar non pensi alcuno
D'oro, è d'argento rapportarne dono,
Dele lodi le lodi i premi sono,
Satio di queste ancor sarai digiuno.
